## EXPERIENCE

- From 1977 to 1979, Mr. Luong Van Ly worked for the Department of International Law, Ministry of Foreign Affairs. From 1979 to 1992, he was a consular officer, then became Head of Communications Department of Ho Chi Minh City Department of Foreign Affairs from 1992 to 1994. From 1994 to 2001, he served as Deputy The Director of the Department of Foreign Affairs of Ho Chi Minh City is the local branch office of the Ministry of Foreign Affairs
- From 1992 to 1995, Mr. Ly taught International Public Law at the School of Law, Ho Chi Minh City University of Social Sciences and Nature. During this time, he has contributed to training many talented lawyers who are still practicing across the country and many classes of young civil servants have mastered the law as a basis for their daily work.
- From 2001 to 2007, he held the position of Deputy Director of Ho Chi Minh City Department of Planning and Investment, in charge of foreign investment and ODA projects. In this position, he is well-known and is considered by

investors and colleagues to be an active and effective promoter of Ho Chi Minh City.

- Mr. Luong Van Ly is the founding lawyer of VLT Lawyers Company. In July 2016, VLT Lawyers merged with Phuoc & Partners until Phuoc & Partners dissolved in August 2019.
- Since September 1, 2019, he is a Partner of Global Vietnam Lawyers (GV Lawyers) working in the field of legal advice on education, healthcare, infrastructure construction, and trade and investment.
- As a legal consultant, he has contributed to the success and development of many domestic and foreign businesses, including large corporations, in fields such as construction (power plants); infrastructure (BOT and BT projects to build roads, sport and physical centers, power plants); medical projects (establishing private hospitals, socializing ward health stations); education (establishing kindergarten, foreign language teaching center); retail (construction of trade center chains); dispute resolution (between investor and contractor; between shareholders in a university, in a food manufacturing company; dispute over land use fees between a foreign-owned enterprise and the governing body state management); finance (debt restructuring); hotel management (negotiating hotel management contracts), etc.
